## I- comfort Stretcher Pillow

### Germa I-comfort Pillow for Stretcher/ Transfer Mattress

The Germa Pillow is intended for use together with the Germa Stretcher/Transfer Mattress.

The flexible pillow, filled with a mix of foam, pillow fibers and granulate allows the patient to feel very comfortable. Please, note that this version is not a vacuum product.

The Pillow is attached to the stretcher itself with two straps. Fits most common stretchers and can be used with optional Mattresses/Transfer Mattresses.
